

VISIT US AT BOOTH #112
Orthopaedic Summit 2016
December 7-10 • Las Vegas, Nevada

WE TAKE PAIN PERSONALLY

THE NEED FOR
NON-NARCOTIC PAIN
MANAGEMENT THERAPY
HAS NEVER BEEN GREATER.

With the ON-Q* Pain Relief System,
patients:

- Went home an average of 1.1 days sooner
- Reported up to a 69% lower pain scores
- Were up to 3x as likely to report high patient satisfaction scores
- Are more likely to experience better pain management with fewer side effects

Join us for a symposium to discuss

Pain Management for Shoulder and Knee Surgery in the ERA
of Bundled Payments: Key Concepts and a Recipe for Success
